HP Car Boot Sale

Sat 18 November; 8.00am

Sites are \$5 each at the BBQ area, Kurrajong Lane.
There will also be a sausage sizzle and cold drinks for sale.

Look forward to seeing you there!

Burning off

Please note that residents are required to request a permit from Wangaratta City Council prior to burning off on private land
<http://www.wangaratta.vic.gov.au/emergency/fire-information/>

No burning piles are permitted on the Hamilton Park common lands. This causes damage to the land and encourages weed growth.

Working Bees

The October 21st Working Bee was attended by 26 residents. With such a positive response we were as a community, able to achieve many of our goals. Much mowing was undertaken in accordance with the Hamilton Park Land Management Plan.

Hamilton Park is looking very neat, tidy and cared for. The pile of rubbish at the end of Omar Close was transported to the pruning pile. The east bank of the Bottom Dam and the Henley Drive entrance to Hamilton Park were also cleared extensively and this area looks terrific. The Arboretum garden was also well weeded, areas around sheds were cleared and some tree branches were also removed.

At the subsequent working bee on 11 November, volunteers continued to tidy up the many drains and culverts, and to mow other areas of the park.

Thank you to all the volunteers who were all very generous with their time, whether it was one or three hours and whether they completed their allocated tasks on the day or at another time.

Hamilton Park amenities at the BBQ area

Could all residents please use the amenities at the BBQ area with respect for other residents and volunteers. The toilets and other facilities are available for all residents to use when walking, playing tennis, and socialising at the BBQ area.

Recently one of the toilets was left in a filthy state. This is not what you would accept in your own home and it is certainly an abuse of a volunteer's goodwill to clean up after residents.

Please use our shared facilities respectfully—thank you.
