November 2018

## Hamilton Park Water

### What do Stage Two water restrictions mean?

#### Hand watering

Use a hand-held hose fitted with a trigger nozzle. **Residential lawns cannot be watered at any time.**

#### Watering systems

You can water gardens using a watering system (manual, automatic, spray or dripper) **only on alternate days** between 6am – 8am and 6pm – 8pm.

**As this summer is predicted to be dry, it is of great importance that residents use water sparingly in their gardens.** Please note that **Stage Two (2) water restrictions remain in**

## Welcoming Craig Martin to the Hamilton Park Board of Directors

Craig was raised in Shepparton and having spent the last 10 years living in Melbourne, Craig has recently moved to Hamilton Park with his young family. New to the area, Craig enjoys getting out and about doing some four wheel driving and exploring with his 5 year old son. He is also bit of a handyman and likes to try his hand at some gardening although he freely admits that his wife is the green thumb in the family.

When the opportunity is available, the family enjoy spending time together in their caravan and visiting friends and family.

Craig is excited to take on the role of 'Parklands & Bushland' and likes to get involved in the community. He looks forward to getting to know more of the residents in Hamilton Park.

## AGM 2018

We had a successful AGM on 27 October with 26 residents in attendance.

A wide range of issues were covered in the Directors' reports and in the ensuing discussion.

A few points of note are:

- Trish Sait is collating feedback on four design options for the Hamilton Park entrance. Please take the time to respond to this survey on the HP Facebook site.
- 40 km speed signs will be placed on Henley Road to remind everyone to take slow down. Particular concern was expressed about the safety of children walking to and from the bus stop.
- The following Motion was agreed and Bob Shaw has followed up with Wangaratta Rural City Council: 'The initial reaction from the Hamilton Park AGM in response to Mark Goode's initial request to plan a bike path through private areas of Hamilton Park, is to reject this proposal. There is, however, support for the proposal to develop an extension of the bike path along Warby Range Road'.

## Australia Day Local Achiever Award

Please consider who you will nominate for this award which is made at the HP Australia Day event. A call for nominations will be made through the HP Facebook site.

## Working bee

**Saturday 17 November; 8.30am**

Please come and help clear up the Common Lands to improve fire safety in Hamilton Park. Meet at the BBQ area at the end of Kurrajong Lane.

## CFA Workshop

The CFA workshop was well attended and will occur again at the start of next year's fire season.

## Sports Hub

Line marking of the various areas at the Sports Hub will be completed by the summer school holidays. There are plans to hold an official opening of The Sports Hub by a Council Official as part of Australia Day celebrations.
